2023-2024 Student Cost of Attendance (Budget)

Cost of Attendance is an estimate of the total expenses for a student attending Charles R. Drew University of Medicine and Science (CDU) for a given enrollment period and is used to calculate financial aid eligibility. The below posted tables represent the budget allocations for the 2023-2024 academic year. The tables are categorized by program and represent the average semester cost and credit hours. As registered student schedules may vary, the estimated costs below will be adjusted accordingly based on actual enrollment verifications.

The total figure includes tuition and fees, books and supplies, food, housing, transportation, and other required attendance costs. Please note, all tuition and fees should be considered as estimates and are current at the time of publication. Tuition and Fees are subject to change without prior notification.
